NONFLICT COACH OFFICIAL CERTIFICATION

The art of managing conflicts in personal and professional life

HOW DO YOU MANAGE YOUR CONFLICTS?

BECOME A PEACEMAKER!

NONFLICT is a simple and effective tool to manage our conflicts. This method was developed by Dr. Amir Kfir and Stephen Hecht after decades of experience managing conflicts in global companies and leading organizations that promote the culture of peace, with important achievements as well as high areas of conflict between Arabs and Israelis or Greeks and Turks. This method is a great tool that helps us manage conflicts on a personal or professional level through 3 simple steps.
